

## Policy on Donations and Refunds

IN THE NAME OF ALLAH, THE MOST MERCIFUL, THE BENEFICENT

This policy relates to the handling of donations and refunds at AAIC.

### Donations:

Donations or gifts made to AAIC will be used for the general operational expenses unless explicitly stated otherwise. For targeted donations, the donor should mention the specific cause (Masjid Operations, Phase III Construction Project, , Sadaqah, Zakat, etc.) in writing. For example, funds given for Phase III will be used strictly for the construction purposes.

### Refunds:

Refund of fees paid towards any classes, programs, events, etc. conducted at AAIC may be considered based on the specific situation.

AAIC is not responsible for donations or gifts made to other organizations using AAIC premises for their fundraising events. Donors should, however, be aware of their charitable contribution to other non-profit organizations. Before you donate, double check the right boxes in the pledge forms and the information you provide. Keep contact info of the organization you are making charitable contribution to. It is important to keep records of your donations to charities.
